my house, I shall never have the same reverence for another that I had, and utill have, for her.

"When I spanked my wife it was become she deserved it. What I do, I do from a stube of duty. I was married in 1891. Dec. 19, 1899, my wife left me. She said the piace was not good enough.

"My wife encered at my religion. She become violent toward me. But I cannot say more, not even to give you my definition of 'physical, mental and moral degeneracy,' because what I say might be used on the trial of the suit. It is enough thist, as a medical man, I know what these things mean."

LABOR NEWS.

The Tradic Creates Council, which was organized recently, and which is composed of drivers of cabe and other vehicles. has complained to Mayor's Marchal Roach that violations of the city ordinance in the granting of licenvee existed. The Marchal lietened to the committee sent to see him, and said that he had not heard of any violations of the ordinance, and that in the future, if there were any, they would be remedied. Mr. Roach then ordered that applications for licenses must be made personally, and that livery-stable keepers cannot secure any more.

The Amalgamated Painters and Decorators deny the report of the Varnishers for Union No. I that they have won two strikes over them, and further state that the fight will terminate when the varnishers become defunct. The grainters asy that the bosses are engaging them every day, and that at the last meeting of the Machinists' Progressive Lodge No. 35 when they became personal in their remarks in except the warnishers become defunct. The grainters asy that the bosses are engaging them every day, and that five of them were membres of the Varnishers' Union.

If the war in South Africa tends to increase some trades in this country it puts a damner on the diamond polichers. According to the delegate of the union of that craft in this city, they are in an unprecedented state of idleness.
